

INTERNATIONAL CONFERENCE ON SPECTACULAR PROGRESSIVE IMPROVEMENTS IN ENGINEERING SCIENCES & COMPUTING - ICSPEC

This International Conference (IC-SPEC) is a multi-disciplinary conference organised by St.Peter's Engineering college, Hyderabad during 18,19 June 2021. The main aim of the conference is to provide opportunities to various Engineers, Academicians, Scientists and Technical Professionals to share their Innovative research ideas in various fields of Engineering all over the world. The participants are expected to present their research results and development activities in design and optimization in various fields of Engineering. This conference also provides opportunities for the delegates to exchange new ideas and application experiences face to face, to establish business or research relations and to find partners for future collaboration.

Submitted conference papers were reviewed by the members of technical committees of the Conference. All full paper submissions were peer reviewed and evaluated based on originality, technical and/or research content/depth, correctness, relevance to conference, contributions, and readability. The full papers are chosen based on technical merit, interest, applicability, and how well they fit a coherent and balanced technical program.
